Prayer for Trust

O Christ, Jesus, when all is darkness and we feel our weakness and helplessness, give us the sense of Your presence, Your love, and Your strength. Help us to have perfect trust in Your protecting love and strengthening power, so that nothing may frighten or worry us, for, living close to You, we shall see Your hand, Your purpose, Your will through all things.

(By St. Ignatius of Loyola, 1491-1556)

AMEN

Dear Parents and Members of our Sacred Heart School community,

At some time in your schooling you probably played the game of ‘Chinese Whispers’. In the game one person tells a message to the next person, and along a line of people until the last player announces the message to the entire group. Errors typically accumulate in the retellings, so the statement announced by the last player differs significantly from that of the first player. Reasons for these changes may include anxiousness or impatience, the making of erroneous corrections, or the desire to reinforce one’s own position by claiming that what you said was exactly what you were told. The game is often used in schools to simulate the spread of gossip and its supposed harmful effects.

At this week’s P & F Meeting those present into an open honest dialogue around certain perceptions which exist within our community about how our school operates, the quality of our educational program, and the value put on giving our children a quality educational experience. I want to thank those present for the opportunity to listen to each other, to glean new insights from each other’s perspective, and to dispel many myths brought about by public misconception or ones that have resulted because of ‘Chinese whispers’. As a school we wish to provide the opportunity to break this cycle of self-destruction and unite to create the ground-work for quality educational experience for all our students. Can we do things better? Of course! And we are all in this together.

So, this Thursday night, commencing at 7pm we will hold a parent and teacher forum to raise the issues which require consideration and to hear the perspective of others within our community. I sincerely hope you can make it along.
‘KNOW THY LEARNER’
An integral part of creating quality teacher programs - which will address the needs of the learners within a class - is that teachers ‘know thy learners’ and can articulate their needs as well as their areas of strength. This past week, and into next week I am meeting with every classroom teacher and the corresponding Support teacher (Inclusive Education) to discuss who the learners within each classroom actually are, and how best we can support their learning. These discussions are invaluable as they create a common understanding of each learner within the school, and sets in place actions which will address the learning needs and styles that exist within our school. My focus for these conversations changes in Term 2 to a more targeted discussion about the teacher and their teaching methodology.

DISTRICT SPORTS
Today we have three of our top swimmers competing for a place in the Bramble Bay Districts swim team. Our best wishes to Rachel Copsey, Stella Kay and Taylor Stoikov-Bynes.

Nomination forms for District sports trials in Basketball and AFL have been offered to our Year 6 students during the past week. We look forward to our students competing at District level throughout the year.

I.T. WITHIN OUR CLASSROOMS
Yesterday saw the launch of the 1:1 laptop program for our present Year 4 students. This program has been in place for four years now and sees the students lease a laptop through the school as a tool which expands their educational endeavours. Last night’s talk with parents centered on Cyber Safety and being a responsible digital citizen. We thank Snr Constable Carol Spurdle from Sandgate Police for her input on cyber safety. Carol will work with our students in the near future to assist them in increasing their understanding of keeping themselves safe in the on-line environment.

EXTENDING OUR EXPERIENCE IN THE JAPANESE CULTURE
For the 3rd year running Sacred Heart has extended the teaching of the Japanese language and culture from Prep through to Year 6. We have found that not only have our students enjoyed the experience, but their appreciation of another culture and language has enriched their understanding of our own.

Sacred Heart has been chosen to host a visit by a group of 14 Japanese students, aged between 10 and 12 years of age from the 23rd of March to the 1st of April in a program organised by AIU.

We are therefore seeking families who can offer one or to students (preference for safety sake’s would be in pairs) a home during this short period. Host families are paid a stipend of $30 per student per night. We also require a home for the teacher escort who will be visiting with the group. If you are able to host or would like more information please call Meuris Gonsalves on 0430 966 401 or email lehigons@hotmail.com It’ll be a great experience for our school. The Japanese students will be part of our everyday school day as well as have intensive lessons in English during their stay. What an opportunity for us. Could I ask that if you’re offering to take a billet or two that you also let us know on 3269 3427 or psandgate@bne.catholic.edu.au so that we can keep track of how many more are required.

THOUGHT FOR THE WEEK
You may call God love, you may call God goodness. But the best name for God is compassion. (Meister Eckhart)

VOLUNTEER INDUCTION
If you wish to work with our children in any capacity in 2017 you must attend one of our annual Parent Volunteer Induction sessions. All volunteers must have completed this course to be eligible to volunteer within our classrooms, tuckshop, grounds – in fact anywhere where there are our children. Volunteers who are not parents must also produce a Children’s Commission ‘Working with Children’ blue card to be near our students as well.

Remaining sessions in 2017 are:

Mon 13th Feb @ 8:40am (in School Administration)
Fri 24th Mar @ 3pm (in School Administration)

If you wish to work with our children in any capacity in 2017 you must attend one of these sessions. Sessions will generally not be run later in the year.

WELCOME BACK BBQ THANKS
Many thanks to all who attended our BBQ and Disco last Friday night, with special thanks to Parents of our Year 6s for their expertise in catering. It was a great community-building night.

Sincerely

Chris

Chris Bathersby
Principal
Welcome to everyone for 2017! Term 1 Fees & Levies statements will be emailed early next week due for payment by Monday 6th March.

Those families who have set up a Direct Debit will receive statements in Term 1 & Term 4 for your information only to ensure you are on track with your payment schedule. Therefore the ‘due by date’ does not apply in this case. If you would like to set up a Direct Debit please contact me in the office to obtain a form. Any direct payments made in February, either by direct deposit or internet will not yet appear on the statement. If you do not receive an email by Wednesday please contact the office. If you have changed your email address please contact the office immediately. For those families who do not have an email address I will be posting your statement. Fees can be paid by cash, cheque, EFTPOS, credit card (over the phone), direct debit or Bpay. If you are experiencing difficulties please contact Chris Bathersby as soon as possible. Concessions must be applied for each year.

If you have any queries regarding your statement please do not hesitate to contact me by email on mmcintosh@bne.catholic.edu.au. Please do not reply to the fee statement email as it is system generated.

Many thanks,

Maree McIntosh
Finance Secretary

Brisbane Catholic Education’s response to recent media reports around the teaching of phonics

Recently the Federal Minister for Education and Training, Hon Senator Simon Birmingham, released a media statement outlining plans to investigate the implementation of ‘a phonics test’ or short assessments of literacy and numeracy skills in Year 1. There is limited information available at this stage beyond popular media reports and Brisbane Catholic Education will endeavour to keep abreast of, and share any further developments as they come to light.

Brisbane Catholic Education is well positioned in the area of early years’ literacy and numeracy thanks to extensive work in this area by each of our schools as part of DELT (Delivering Excellent Learning and Teaching strategy), and now as part of Excellent Learning and Teaching: Moving Forward.

Specifically, the development and implementation of Brisbane Catholic Education’s Phonics Position Paper – (Passionate and successful readers and writers: Making meaning in the curriculum context), and our collective ongoing engagement with early education literacy expert David Hornsby, clearly state our position on the explicit teaching of phonics in context.

Our Numeracy monitoring tools developed by Professor Di Siemon, specifically ‘Trusting the Count and Place Value’, provide essential information for teachers to move each student’s learning forward. This work and our continuing partnerships with David Hornsby and Di Siemon will support our schools and teachers to focus on growing the engagement, progress and achievement of each of our students while at the same time, address the policy directions being proposed by the Australian Government.

Further the suite of monitoring tools used by Prep – Year 2 teachers enhance our capacity to use data to lead learning, by supporting the clear identification of areas of strength and areas of need for groups of students, as well as for individual students. The evidence-based effective and expected practices are key in responding appropriately to these identified needs within the curriculum expectations.

As more information comes to light we will share it with you so that you are fully informed.

Dear Parents,

Why Is St. Paul Called an Apostle?

By Neela Kale January 25, 2017

Question: Why is St. Paul called an Apostle? He wasn’t one of the 12 Apostles that Jesus picked.

The word apostle comes from the Greek apostolein, meaning sent ones. Although Jesus specially designated 12 of his followers in a symbolic restoration of the 12 tribes of Israel (see Matthew 10:2-5, Mark 3:16-19, and Luke 6:13-16), these 12 men were not the only ones sent by Jesus. Mary Magdalene and the other women who saw the risen Jesus were sent by Him to share the good news of the resurrection with the other disciples. And before the ascension, all of the disciples were sent forth by Jesus to proclaim salvation to the ends of the earth. Paul, though not one of the original companions of Jesus, considered himself an Apostle sent by Christ. Even though the Church has reserved the title “Apostle” in a special way for the 12, Paul was such a pivotal figure in the spread of the gospel that the Church has also applied this title to him, calling him “the Apostle to the Gentiles.”

©http://bustedhalo.com/ministry-resources/why-is-st-paul-called-an-apostle

“...we are called – to act, to love, to serve, to walk – to be a light for others and a sign of hope...The first reading from the Prophet Isaiah takes up this theme with some of the most beautiful words to be found in the Scriptures: do not be afraid, I have called you by your name, you are mine, I will be with you”.

Pope Francis

Yours in Christ,

Gerald

Assistant Principal: Religious Education
Good afternoon all,

By now the Christmas holidays are gradually fading as you settle into the school year.

**MEALS FROM THE HEART**

I have a very special ministry of being able to provide meals for families who may enjoy receiving one. Times when meals are appreciated for example are:

+ the birth of a baby
+ a family member is ill or in hospital
+ a mum is at home with small children at home and is struggling to prepare a meal each day
+ someone you know may simply be exhausted and would appreciate a meal.

If you or anyone in our community would like a meal, please contact me on tekerick@bne.catholic.edu.au and I will arrange provision of the meal.

Please contact me if you know of a family in need.
When meals are provided confidentiality is maintained at all times.

Regards,

Teresa.

***The lost property is held outside the Integrated Arts Room***

Please ensure that your child’s school uniform and hat is clearly named. Also, can you please have a look at your child’s uniforms, including hat to make sure it doesn’t belong to another child? If so, please return them to the office.
Parents and Friends Association

First Fundraising / Sacred Heart Social Club meeting is to be held next Friday 17th February at Be Bold in Rainbow St from 8.45am. All welcome!

P&F News

Thank you to everyone who came along to our first meeting of the year on Wednesday night. We had a very strong turn out and lots of great discussions about making Sacred Heart the best school it can be for our kids. Attending a P&F meeting is not as daunting as you may think - just ask the several new prep parents who came along to their first meeting; a special thank you to you.

All the details from the meeting will be in the minutes, which are posted to the parent portal usually about a week after the meeting, so log on and have a look next Wednesday.

Outdoor Learning Space

The 2016 P&F began a project to create a unique outdoor learning space for the school, something to inspire teachers and children alike in their learning journey’s; and whilst we were hoping to complete stage one of this project over the school holidays the great news is that at Wednesday night’s meeting the 2017 P&F committed to seeing this project through - special thanks to Steve and Nicole (our working group) who are continuing to chase quotes from builders and drive the project ahead. Watch this space!

Additionally we had a fundraising committee form and there is room for more support, don’t worry, you don’t need to come to P&F meetings and speak, Jac has agreed to do that on behalf of the committee - so if you’ve got some great ideas, resources, connections or just a little spare time to donate, look P&F President

out for details of the first 2017 Fundraising and Social committee meeting in this newsletter.

I’d like to offer a big thank you on behalf of the P&F to all the year six parents who organised and ran the welcome back BBQ & Disco - it was a super night, where kids and parents, relaxed, interacted, danced, socialised and got connected again for the start of a new learning year. I’m already looking forward to next years.

Lastly I would like to strongly encourage every parent and carer to get along to the Parents-In-Partnership meeting next Thursday evening (16/02/17). Chris and the teaching & support staff love this school and are 100% committed to making this a great school and an integral part of our Sandgate community. Next Thursday represents a wonderful chance to share feedback (positive and negative), offer suggestions, ideas and passion to help improve Sacred Heart in 2017 and beyond; don’t just stand around in the playground chatting, come along and be a constructive and positive agent of change.

Once again, thanks to all who attend our P&F meeting on Wednesday especially the first timers!

Our next meeting is Wednesday 8th March at 7:00pm in the Library with special guest, local councillor Jared Cassidy. See you there.

Warm Regards
Paul Kay

School Banking

COMMONWEALTH SCHOOL BANKING - AVAILABLE FOR ALL STUDENTS AND THEIR SIBLINGS. Every child must learn that Mum and Dad are not the bank!

Don’t forget that Tuesday is School Banking day and students should bring their weekly deposit.

Please fill in the Deposit Slips with Date, Name, Student No, (Account No. if new) and Amount.

Marissa Kurtz
School Banking Co-ordinator
kurtzy57@gmail.com
How exciting it is to begin a new year at school. New uniforms, new books, the anticipation of what the year will bring! As teachers we get to share all that excitement and sometimes the fear and trepidation and we always look forward to sharing your child’s learning journey with you.

We are also lucky to be part of a community that is so passionate about the learning experiences in which each child gets to participate. Sacred Heart School has so much to offer everyone, from our beautiful environment to the nurturing and caring members of our small community. On Thursday evening, February 16th, we are inviting you to an open forum night. Please see flyer in newsletter. We would love to see as many of you as possible. We will be offering other parent in Partnership evenings throughout the year and next week will provide you with a timetable of this term’s information evenings.

I would love to hear from you if you have suggestions or ideas about what you would like/need more information or ideas on.

You will be hearing a lot about literacy skills and numeracy skills this year so today I have included some ideas for sharing reading at home. Remember that your child’s class teacher is always your first port of call. They are very knowledgeable about your child’s learning needs and are always more than happy to chat with you. It is a good idea however to schedule a time that is suitable to you both and to also let them know what your concerns might be. They will also be very happy to hear about the successes and good news stories!

A fox, a chicken and a sack of grain need to cross the river. You can cross the river with only one of them at a time. If you leave the fox with the chicken he will eat it; if you leave the chicken with the grain he will eat it. How can you get all three across safely?

Sharing Reading

**Talk together**
Children need opportunities to talk with you about what they are reading or their reading interests. They may also be interested in what you are reading. Talking gives you both a chance to share and recommend.

**Read together**
There is never an age when it is not enjoyable and useful to spend 10 minutes a day reading together. It’s a great idea to get older children to read with younger brothers and sisters too.

**Revisit old favourites**
It is important for children to know that it is OK to revisit old favourites and memories – even if it seems like ‘easy reading’! Comparing and sharing memories of real life and books will help your child to develop greater comprehension and empathy.
Making choices

It’s important to still visit book shops, libraries and places where your child can browse and chat with you about their interests. They’ll begin to prefer certain authors or series, or types of reading such as comics, magazines or websites, and with your encouragement they can learn to make choices for themselves.

Listen to your child read

It is important that your child continues to read aloud to you. The emphasis will be on reading fluently and with expression, understanding more complex plots and broadening their vocabulary as well as building an understanding of how punctuation and grammar are used.

Check understanding

Whatever your child is reading, it’s good to check that they are grasping the deeper levels of meaning (why things happen or how things work). Ask them to tell you about what they are reading, retell parts of the story, explain a specific section or make connections. Don’t forget to explore words and vocabulary with your child too, using dictionaries in print or online.

And most importantly, continue to enjoy what you do together, give lots of encouragement and expand the reading experience to keep your child switched on! Don’t forget – if they are reading something they are not enjoying, it’s OK to read something else. Reading really has to be a pleasant and enjoyable experience if you want your child to keep reading!

Have a great week,

Jo-Anne Downing
Primary Learning Leader
Sacred Heart Zone 6 Selection Criteria

Sacred Heart will be holding four main carnivals throughout the year.

1. SWIMMING TIME TRIALS - TERM 1 (YRS 3-6 -plus some yr 2’s turning 8yrs)- 15th February
2. CROSS COUNTRY CARNIVAL TERM 2(PREP- 6)- 21st April
3. TRACK AND FIELD CARNIVAL – TERM 3(PREP-6)- 14th July
4. SWIM FUN DAY CARNIVAL – TERM 4 (PREP-2)- 13th November
5. SENIOR SWIM CARNIVAL – TERM 4 ( YRS 3-6) – 20th November

These carnivals and time trials will be used as a selection process for Zone 6 carnivals. School carnivals are regarded as another school day and all students are required to attend and participate in events. If children do not participate on the day, they forfeit the chance of making the Zone 6 team. The Prep students will not be eligible to qualify as the Zone 6 carnivals start from Year 1 regardless of age.

Bramble Bay Districts Selection Criteria

Children 10-12 yrs old may be eligible to represent the school at State level. Children have the opportunity to represent Met North all the way through to representing Queensland at the National level. This type of format is extremely more competitive than the Zone 6 carnivals. Children must be training under a coach or train/compete frequently at club level. In some of the sports, coaches must sign off on the submitted nominated times. Only a small number of children will be selected to compete at District events. Due to only a small number of children involved, generally parents are responsible to manage teams, online nominations, pay for nomination costs, uniform costs associated with Met North and supplying transport to and from these events. The school will supply 1 x official for the day, and if enough competitors, a school supervisor.

Please refer to the table below for Bramble Bay events. Nomination due dates are usually 10 days before the carnival. If you meet the criteria and would like to nominate, please fill out the slip below and return it to the office.
