Prayer to know the Way of Peace

Father of Heaven and earth, hear my prayer and show me the way to peace. Guide each effort of my life so that my faults and my sins may not keep me from the peace You promised. May the new life of grace You give me through the Eucharist and prayer make my love for You grow and keep me in the joy of Your Kingdom.

17th February 2017

‘Dear Parents and Members of our Sacred Heart School community,

I have just come home on a natural ‘high’ after the energetic and enthusiastic gathering of Parents and Staff discussing “What do we do at Sacred Heart to make it great?” My great thanks to all who attended for their dedication to the school. Tonight we explored three big questions –

Q1. What is it that we do really well here at Sacred Heart?

Q2. What are the top 5 priorities that we need to engage in to build school numbers?

Q3. If there was 1 thing we as a school community needed to do to be recognised as a school of excellence, what would it be? Why?

I look forward to collating the responses and bringing these to the School Leadership team, the Staff, the School Board and P & F for suggested directions over the next three weeks. The next parent forum to discuss our direction and actions to undertake will occur on Thursday 9th March. We look forward to harnessing this energy once again to create a bright future as we strive for excellence at Sacred Heart.
**Swimming**

**CONGRATULATIONS STELLA**

Congratulations to Stella Kay (Year 6) for her success in making the Bramble Bay Districts swim team. Stella was chosen to swim in the 200M Freestyle and 100M Backstroke events at this week’s Regional swimming carnival. We wish her every success.

**World Day of Social Justice**

Monday coming is the World Day of Social Justice(www.un.org/en/events/socialjusticeday)

Social justice is an underlying principle for peaceful and prosperous coexistence within and among nations. We uphold the principles of social justice when we promote gender equality or the rights of indigenous peoples and migrants. We advance social justice when we remove barriers that people face because of gender, age, race, ethnicity, religion, culture or disability. (United Nations) At Sacred Heart we promote social justice and aim to make it explicit in all that we do. Whilst countries are contemplating building walls (figuratively and in reality), let us be people who build bridges instead.

**Teacher Planning Days**

As our term progresses our class teachers next week are heading into their second cycle of short-term planning to ensure a flexible, quality program of teaching and learning at Sacred Heart. Working with Jo-Anne Downing, (our Primary Learning Leader), the teachers are released from class for a half-day to work in the preparation of their units of work for the classroom and to ensure they accurately reflect the needs of the children in their particular class. On these days, a guest teacher will be teaching your child’s class whilst your child’s teacher is in a planning session.

**Thought for the Week**

“Returning hate for hate multiplies hate, adding deeper darkness to a night already devoid of stars. Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate, only love can do that.” — Martin Luther King Jr., Strength to Love

Sincerely

*Chris*

Chris Bathersby
Principal

---

**Volunteer Induction**

If you wish to work with our children in any capacity in 2017 you must attend one of our annual Parent Volunteer Induction sessions. All volunteers must have completed this course to be eligible to volunteer within our classrooms, tuckshop, grounds – in fact anywhere where there are our children. Volunteers who are not parents must also produce a Children’s Commission ‘Working with Children’ blue card to be near our students as well.

**Remaining sessions in 2017 are:**

Fri 24th Mar @ 3pm (in School Administration)

If you wish to work with our children in any capacity in 2017 you must attend one of these sessions. Sessions will generally not be run later in the year.

We held a Firedrill this week.
All clear and safe within 6 minutes.
Our safety plan worked!

**Grandparents Day – Date Claimer**

Tuesday 7th March

**Extending our Experience in the Japanese Culture**

Can you host 1 or 2 of the 14 Japanese students, aged between 10 and 12 years of age visiting us from the 23rd of March to the 1st of April? Host families are paid a stipend of $30 per student per night. And we need a home for the teacher escort who will be visiting with the group. If you are able to host or would like more information please call Meuris Gonsalves on 0430 966 401 or email lehigons@hotmail.com

The Japanese students will be part of our everyday school day as well as have intensive lessons in English during their stay. What an opportunity for us! Could I ask that if you’re offering to take a billet or two that you also let us know on 3269 3427 or psandgate@bne.catholic.edu.au so that we can keep track of how many more are required. (so far I know of only 2 billets).
**TERM 1 2017 FEES**

Welcome to everyone for 2017! Term 1 Fees & Levies statements will be emailed early next week due for payment by Monday 6th March.

Those families who have set up a Direct Debit will receive statements in Term 1 & Term 4 *for your information only* to ensure you are on track with your payment schedule. Therefore the ‘due by date’ does not apply in this case. If you would like to set up a Direct Debit please contact me in the office to obtain a form. Any direct payments made in February, either by direct deposit or internet will not yet appear on the statement. If you do not receive an email by Wednesday please contact the office. If you have changed your email address please contact the office immediately. For those families who do not have an email address I will be posting your statement. Fees can be paid by cash, cheque, EFTPOS, credit card (over the phone), direct debit or Bpay. If you are experiencing difficulties please contact Chris Bathersby as soon as possible. **Concessions must be applied for each year.**

If you have any queries regarding your statement please do not hesitate to contact me by email on mmcintosh@bne.catholic.edu.au. Please do not reply to the fee statement email as it is system generated.

Many thanks,
Maree McIntosh
Finance Secretary

Assistant Principal Religious Education

Dear Parents,

This Monday evening the Parish Sacramental Program commences for 2017 with a Parent Information evening for our Year 4 parents, whose child is a baptised Catholic and has made the Sacrament of Confirmation. This meeting is compulsory and is an important part of the preparations as it part of the commitment between families and the Parish with support from the school.

A sacrament is an outward efficacious sign instituted by Christ to give grace. Jesus Christ himself is the sacrament, as he gave his life to save people. His humanity is the outward sign or the instrument of his Divinity. It is through his humanity that the life of the Trinity comes to us as grace through the sacraments. It is Jesus Christ alone who mediates the sacraments to allow grace to flow to people.

I look forward to your attendance at our meeting on Monday evening commencing at 7:00pm.

Should have any queries, please do not hesitate to contact me at school or call the Parish Office on 3869 1377.

"For there is one God, and there is one mediator between God and men, the man Christ Jesus, who gave himself as a ransom for all." First Letter of Paul to Timothy 2:5

Yours in Christ,

Gerald

Assistant Principal: Religious Education
Last week we looked at some ways that you might engage with and enjoy reading at home with your child. This week we’ll delve a little into the spelling process.

The main difference between reading and spelling: reading is having the ability to change letters (graphemes) into sounds (phonemes) and spelling is changing the sounds into letters (phonemes to graphemes).

As you may be aware, Sacred Heart (as do many other Brisbane Catholic Education schools) has a major focus on literacy. Skills and strategies for learning ‘how’ to spell are a very important part of the spelling process. Even if a child is able to spell a word, if they do not understand the process they cannot use this knowledge to spell unfamiliar words. As in Maths, it is not just the correct answer that is important; the working memory and understanding of how to achieve the correct answer is vital to the cognitive process for future learning.

Research has shown that phonics is a crucial strategy in understanding ‘how to spell’. Knowing the 44 phonemes (sounds) of English and the various spelling choices that represents these sounds, enables the learner to understand the orthography (the spelling system of our language) and not be confused by restricted phonic patterns. For example, the letter ‘c’ does not just represent the sound at the beginning of ‘cat’. It can represent ‘s’ in city, cent, Cindy etc. The sound ‘f’ is not just represented by the letter ‘f’ it could be ‘ph’ as in photo, phone, Sophie, Phoebe. The letter ‘y’ does not just represent the sound at the beginning of yawn, but more commonly it represents the sound at the end of city, pony and Kelly or the sound in my, fly, by, tyre. Sacred Heart is committed to explicit phonics teaching.

Research has shown that students with a more comprehensive vocabulary and a greater understanding of the meanings of words will more successfully apply words to memory for spelling and are more competent in comprehension and writing. Writing words in context to show meaning is a vital part of our spelling program.

Your role as a parent is important in this process. Talking with your children about the meaning of words from relevant subjects being learnt about in class, using dictionaries and looking at the grammatical changes in words is far more important than ‘rote’ learning words for a spelling test at the end of a week. The more the learner can use the word in context, understand the meaning and practice writing words in a fun and meaningful way, the more competent and adventurous a speller they will become. They will also be building vocabulary for future learning.

And finally, I just wanted to say a huge thank you to the mums, dads, friends and school staff who were able to attend last night’s forum “What do we do at Sacred Heart to make it great!” It is fantastic to be involved in a community that is passionate about learning, for themselves as well as their children and so wanting to participate and contribute to making our learning space great. Thank you for your enthusiasm, the positive way in which you participate and the growth mindset you brought to the evening! Your children have great role models!

The following table outlines what we have planned so far for our Parents in Partnership evenings. Unless otherwise notified the evenings will be held in the Meeting Room next to the Library and commence at 7p.m. and run for approximately one hour. We would love to see as many parents/caregivers attend as possible because this is the learning journey we want to share with you.

Good afternoon all,

I hope you are enjoying the cooler weather and that all your family members are able to enjoy a good night's rest. It is important to ensure your children get sufficient sleep each night so they can function well during the day and contribute well in their family life and at school.

Children need to learn the importance of a good night’s sleep if they are to face the next day in a positive, pleasant and cooperative way. A good routine each evening helps establish good sleeping patterns for children: chores, play time, dinner, shower, family time, story, prayers, then bed. Relaxing, soothing music (no words) can help relax children who have difficulty getting to sleep.

Enjoy your week.

Regards,
Teresa.

### IMPORTANT - UPDATING OF PERSONAL DETAILS

Have you recently moved house, changed your mobile phone or work number? Do you have a new email address? Does the school have your correct contact details?

It is extremely important to ensure we have your correct contact details for communication purposes and in times of emergency. Please notify the school with any changes by logging into the Parent Portal and accessing ‘My Student’.

### ***The lost property is held outside the Integrated Arts Room***

Please ensure that your child’s school uniform and hat is clearly named. Also, can you please have a look at your child’s uniforms, including hat to make sure it doesn’t belong to another child? If so, please return them to the office.
Parents and Friends Association

SECOND HAND UNIFORMS:
A reminder that for second hand uniforms you would like to sell, please place a list of items for sale on the P & F notice board.

P & F Social Club

Zooper Doopers will be on sale every Friday in Term 1, for $1. All money raised will go to the P & F to fund their ongoing school projects.

School Banking

COMMONWEALTH SCHOOL BANKING - AVAILABLE FOR ALL STUDENTS AND THEIR SIBLINGS. Every child must learn that Mum and Dad are not the bank!

Don’t forget that Tuesday is School Banking day and students should bring their weekly deposit.

Please fill in the Deposit Slips with Date, Name, Student No, (Account No. if new) and Amount.

Marissa Kurtz
School Banking Co-Ordinator
kurtzy57@gmail.com

Tennis Coaching

Term 1 Tennis Coaching has started well with a lot of new faces eager to learn and have fun. We still have a few vacancies available. Now is a great time to start. We conduct tennis lessons from Prep to Year 6 at all levels. A free hotshots tennis shirt for all new players.

For all tennis enquiries please contact Wayne on 0438195723/ hampson.wayne@gmail.com

Event details:
~Moreton Bay Triathlon~
Sunday 23 April 2017 at Pelican Park Clontarf

Distances:
Kids: 7-9yrs 100m swim / 2k ride / 500m run
Kids: 10-11yrs 200m swim / 4k ride / 1k run
Super Sprint: 12-13yrs or 14+ 300m swim / 7k ride / 2k run
Sprint: 14+ 750m swim / 20k ride / 5k run (teams available)
For more info, visit www.moretonbaytri.com.au

~Sanitarium Weet-Bix Kids TRYathlon~
Sunday 21 May 2017 at Pine Rivers Showgrounds/Lawnton Aquatic Centre

Distances:
7-10: 75m swim / 3km ride / 500m run
11-15: 150m swim / 6km ride / 1km run
For more info, visit www.tryathlon.com.au

We are looking for schools for our ambassadors to visit in the lead up to the event. They can run mini tri activities, chat on assembly and even bring the Morety the Moreton Bay Bug along.

Any school that registers for a promotional visit will receive a discount code for race entry (conditions apply – local residents only). Just complete your school details on the request form and I’ll be in touch to coordinate. https://www.surveymonkey.com/r/M3NV6SR

Gateway Motorway bridges over Sandgate Road/Braun Street and the Shorncliffe rail line: Works scheduled for late February and March

Works to widen the Gateway Motorway bridges over Sandgate Road/Braun Street and the Shorncliffe rail line are progressing well, with the widened southbound bridge due to open to traffic in the coming weeks.

The bridge will be opened at night, with both directions of motorway traffic moved onto the widened structure. This will allow the existing northbound bridge to be closed to traffic and deconstructed (refer to the map below).

Work to deconstruct the bridge is expected to take approximately three months to complete.

The bridge deconstruction is being undertaken to make way for a new, wider bridge structure which will include three traffic lanes and a dedicated pedestrian/cyclist path.

Works include:
- Deconstruction of the northbound bridge will involve:
  - profiling and removing the bridge's asphalt road surface
  - coring and removing bridge pins and bolts
  - concrete saw cutting, lifting and removing large concrete bridge elements in sections, including edge protection barriers, bridge deck, support beams and columns
  - concrete breaking and removing smaller bridge elements
  - removing the bridge materials from site in trucks.

Working hours:
A combination of day and night works are required to complete works at the bridge site.

The project's standard working hours at this site are:
- **Day works**: Monday to Friday, 7am to 6pm and Saturday, 8am to 4pm.
- **Night works**: Monday to Friday, 7pm to 5am and Sunday, 4pm to 5am
  (Please note: Sandgate Road/Braun Street night works will begin from 8pm).

However, where works are required within the Shorncliffe rail corridor, these activities will be undertaken during approved Queensland Rail shutdown periods.

Queensland Rail approved shutdown periods in March include:
- 2am Saturday 18 March to 3am Monday 20 March 2017
- 10pm to 4am each day between Sunday 26 March and Friday 31 March 2017.
What to expect:
- Increased noise during some deconstruction activities, including saw cutting, concrete breaking and profiling.
- Use of temporary lighting towers at night.
- Frequent heavy vehicle movements around the site, including cranes and trucks.
- Construction traffic accessing work areas fitted with flashing lights and reversing beepers for safety reasons.
- Localised traffic changes on the Gateway Motorway and Sandgate Road/Braun Street beneath the bridge, including reduced speed limits, lane closures, temporary road closures, changes to traffic flow, temporary short-term traffic stoppage and presence of police/traffic control (see information box, below).
- Localised pedestrian/cyclist changes on the footpaths and shared pathway beneath the bridges.

All works are subject to weather and construction conditions.

Sandgate Road/Braun Street traffic changes:
During bridge deconstruction works, there will be intermittent changed traffic conditions in effect on Sandgate Road/Braun Street beneath the bridge.

During the day, changed traffic conditions will generally involve the installation of traffic control devices, reduced speed limits, single lane closures and the presence of traffic controllers.

At night, the same changes may be implemented, as well as short-term stoppages and changes to traffic flow.

Changes to traffic flow will involve moving both directions of traffic onto one side of the road between Musgrave Street, Deagon and Holroyd Street, Boondall, with one lane maintained in each direction.

This will allow the other side of the road to be closed and overhead bridge deconstruction works to be safely carried out.

Police/traffic controllers will be in place to direct motorists during changed traffic conditions at night.

Motorists are advised to allow additional travel time during this work.

Commencement of major drainage works:
From mid-February until early April 2017, work will be undertaken to prepare for the construction of two new major drainage structures beneath the Gateway Motorway, east of the bridges over Sandgate Road/ Braun Street and the Shorncliffe rail line (refer to the map below).

Preliminary works will include:
- excavating on either side of the motorway to the correct level for drainage installation
- installing more than 60 interlocking sheets of metal (called sheet piles), to depths of approximately 8m to 10m, in order to stabilise the edges of the motorway. The sheet piles will be installed using a large piling rig with a vibration hammer attachment.

Excavation and sheet piling works will be undertaken during the day wherever possible. However, where works are located in close proximity to the motorway, some activities may need to be carried out at night when traffic volumes are lower and lane closures can be implemented.

Please note that due to the nature of sheet piling works and the equipment used for their installation, increased noise levels can be expected.

Contact details
The project team is committed to working with the community to better understand your views and ensure the successful delivery of the Gateway Upgrade North project.
