With the recent publicised news about the health challenges faced by parent Simon Barclay and student Macy-Lee Smedley and the confidential news of another four families also facing serious illness and long-term medical treatment, we can be grateful that, thanks to the amazing support of our parent body, the Heart Ministries are there to care for, on a confidential basis, any school family who requests assistance.

If you need help or you know of a Sacred Heart family who would appreciate some assistance, please contact Chris Bathersby, Sr Teresa or me. Confidentiality is assured. There are a number of ways in which we can help:

“Never see a need without doing something about it”, St Mary MacKillop

Thanks to the wonderful generosity of Sacred Heart families, we now have a freezer full of meals for those of our school families in need.

Presently, a number of school families are being helped confidentially through this ministry.

The care we offer families is tailored to meet their needs. Help provided may be financial or it may be practical. All assistance given is confidential.

Again, at present, a number of school families are benefiting, on a confidential basis, from this ministry.

The next social gathering of Friends from the Heart will be held on Friday 6 June in Jacqui McKeering’s Farmor’s Crepes 194 Seymour Street, Sandgate (opposite Sandgate Memorial Park). Fiona Carson 0421 647 252 leads these gatherings.
