1.0 MEETING OPENING / PRESIDENT’S WELCOME

2.0 ATTENDANCE: please sign the attendance book.

3.0 APOLOGIES: Catherine Murdoch, Janelle Lakey

4.0 MINUTES OF THE PREVIOUS MEETING

5.0 REPORTS TO THE MEETING

5.1 Principal

5.2 Treasurer

5.3 Uniform Shop

5.4 Tuckshop

5.5 Sister Teresa

6.0 OTHER BUSINESS

6.1 From the Heart Ministries report

6.2 Gardening Club report

6.3 Sacred Heart Race Day
   6.3.1 Final Race Day update
   6.3.2 Distribution of Race Day proceeds

6.4 Proposal for creation of Sacred Heart Crisis Fund

The following proposal has been received from Megan Kay:

'I would like to propose that we set up a Sacred Heart Crisis Fund which would be available to any family in the school facing illness, crisis, hardships etc. It would need to be run by a panel of people and families would apply to the fund for a grant, they would be assessed and then give a lump sum based upon their application and the assessment. This would eliminate the need for multiple fundraising events within the school and is an equal playing field for all families within the school. I suggest that at all future school
fundraising events 10% of proceeds would go to the fund and that way the school would always be supporting the fund and money would be available for future applications.’

6.5 Einbunpin Festival update

6.6 Grants update

6.7 School Fete/Fair/Festival

The following proposal has been received from Paula Robbins:

‘I have an idea which may involve less work than a school fete/fair/festival. What about combining with a Billycart market and co-branding the market with a Sacred Heart fair/festival/fete. The markets are roughly every two months; August is a little close to Einbunpin so perhaps October? It would then be a matter of, each class and/or year level having a stall that does not clash with existing Billycart stall holders. These could be organised by the Class Co-ordinators and any other willing parents.’

6.8 Class Co-ordinators – proposals for 2015 - Cecelia Simpson

6.9 Handwashing and allergy & anaphylaxis information sessions

Report from Joanne McNamara:

‘I have completed the Hygiene Clean Hands Hand washing sessions with Qld Health infection lady, Pat, last Friday 9/5. The 2 sessions went extremely well and all kids involved had an experiment with the glitter bug lamps to see how dirty their hands were! It obviously was an informative session as parents have come and told me about how their kids came home and were talking about the germs on their hands and how they saw them with the lamps!

I am getting some more information from Pat from Qld Health about suppliers for the hand sanitizer that Qld Health use for costs etc of buying some for school classrooms.

Thanks and I will keep everyone up to date on an allergy information night as well.’

7.0 CLOSE OF MEETING

Date of next meeting:

Meeting closed pm.
