

VISION

The Sacred Heart Community embraces and celebrates Catholic beliefs, traditions and values.

We seek to build pride in our achievements, while fostering positive partnerships across the school and wider community.

We aim to develop in children a love of God, respect of others, self and the environment, so they can become confident learners who are proactive in making a positive difference in the world.

MISSION

Sacred Heart is a school community whose mission is to be:

- A Christ-centred faith centred community that recognises the presence of God in our lives.
- Proactive in strengthening positive partnerships where each person is valued.
- A provider of an inclusive education in an environment that nurtures and supports the learning of all children through appropriate learning experiences.

Sacred Heart Sandgate

For God . Others . Self

Sacred Heart is more than a school for your child – it's a caring Catholic community where they will grow and be loved.

Our students benefit from:

- our strong emphasis on literacy & numeracy
- our willingness to support each learner on their educational journey
- computer facilities which allows hands-on experience with the internet, research, word processing and educational software
- a quality physical education program including components in dance, swimming, gymnastics, ball skills and fitness programs that develop life-long activity skills
- an extensive music program including classroom music lessons for Prep to Year 6, a senior & junior choir and a quality instrumental music program
- an annual Year 6 excursion to Canberra
- an ever increasing program of sporting and extra-curricula opportunities.

Sacred Heart School

A happy inclusive school community for boys and girls from Prep to Year 6 where everyone is welcomed, nurtured and encouraged to grow.

Located in the northern bayside suburb of Sandgate we offer a holistic learning environment which caters for each child's academic, physical, social and emotional development within a balanced educational program based on Christian values.

What makes us great!

- A desire to work in genuine partnership with parents in the daily education of their children
- A happy, friendly and eager student body
- Active leadership roles for all Year 6 students
- A buddy system putting younger and older students in regular contact to build positive friendships and peer groups
- Quality staff who are enthusiastic and dedicated to life-long learning for themselves and the students
- An active, enthusiastic and supportive Parents & Friends Association
- A well resourced library
- A quality Outside School Hours Care (OSHC) facility
